### - Stock | Stock Confirmation – IMEI Status

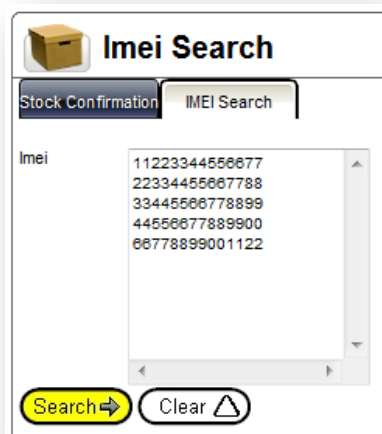

## Stock | Stock Confirmation – IMEI Status

Impact: Moderate

Directed To: Stock Control

### Navigation

### IMEI Entry

The new IMEI status area visually allows you to see the current status on any one or many IMEI's at any one time.

Carriers and/or suppliers may request status on some device stock at any time.

This will allow you to scan or paste in several IMEI's. Then providing you with a status of the IMEI at that given time.

- In stock
- In sale
- In stock – On transit
- Not found

### Navigate:

Stock → Stock Confirmation → IMEI Status

### Entry:

Simply scan or type/paste IMEI's in to the IMEI field and click **Search**

### Result:

ClickPOS will produce a detailed list of current IMEI status and allows you to print if required.
