Industry type : Generic**Welcome to ClickPOS  
Video Tutorials**

This tutorial is directed to the Stock control person.  
As a stock control officer, one of your primary duties is to maintain Stock inventory.

**Add Product to Stock**, allows you to add stock without creating a Purchase Order.  
Rather than using this screen to add stock into the system, we recommend you **create a Purchase Order**, then use **accept Incoming Stock** to add items into stock.
