

Section : Stock

Sub-section : 2.33.000 - Add a Phone to Stock

Target audience : Store Rep/Manager | **Stock Control** | Administrator | Financial Controller | Management
 Industry type : Mobile phone industry

Welcome to ClickPOS Video Tutorials

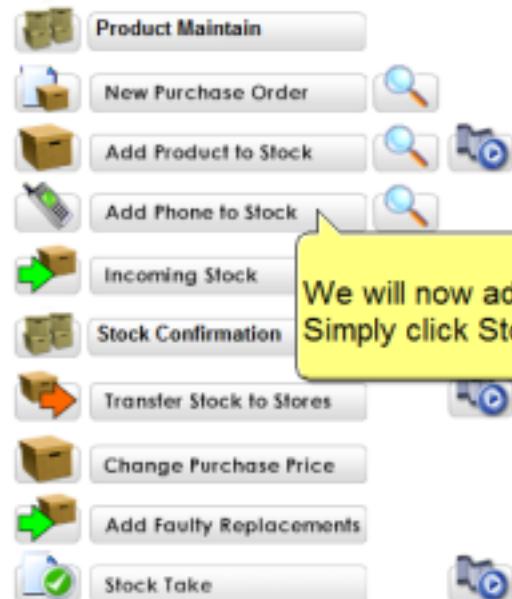

This tutorial is directed to the stock control person.
 As a stock control officer, one of your primary duties is to maintain stock inventory.

Add Phone to Stock is specific to the mobile phone industry.
 The screen allows you to add stock without creating a Purchase Order.
 Rather than using this screen to add stock into the system, we recommend you **create a Purchase Order**, then use the **accept Incoming Stock** screen to add items into stock.

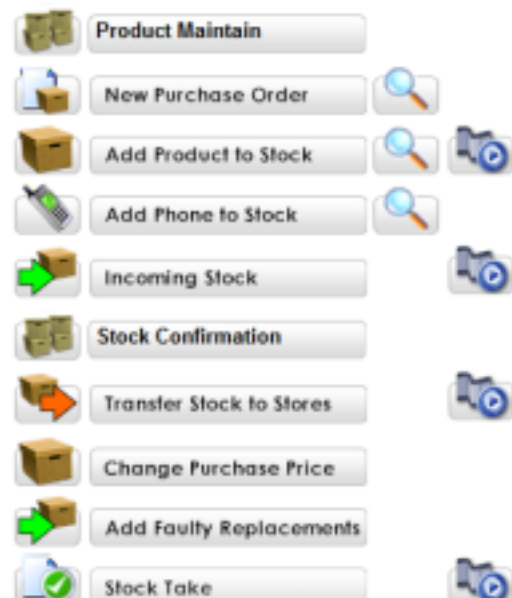

Stock

We will now add Phone stock.
Simply click Stock, then **Add Phone to Stock**.
